Notes

SHEFFIELD • ENGLAND

Razor sharp since 1910

Welcome to the Durham-Duplex safety knife and hand knife catalogue designed to help the reader to identify the best knife for any application. Durham-Duplex have been making knives in Sheffield for over 100 years and know that a great blade is useless without a good handle. To help you decide this catalogue has been divided up into the following sections:

- | | |
|-----------|--|
| Section 1 | OLFA™ safety knives and blades |
| Section 2 | Durham-Duplex safety hand knives |
| Section 3 | Durham-Duplex metal detectable hand knives |
| Section 4 | Durham Duplex hand knives |
| Section 5 | American Line™ hand knives |
| Section 6 | Replacement utility blades |
| Section 7 | Disposal cases |
| Section 8 | Machine mounted industrial blades |
